

Off-White™ SS25 Collection
EYEWEAR TRAINING

“Thinking lives on beyond our human body.
Once you plant the seed it grows and that’s how I see Off-White™.”
Ibrahim Kamara, Creative Director

OFF-WHITE™ SS25 EYEWEAR COLLECTION

THE NEW OFF-WHITE™ COLLECTION, DEVELOPED IN THE NEW GUARDS GROUP DESIGN WORKSHOPS AND CREATIVE HUBS IN MILAN, HAS ABSORBED AND TRANSFORMED THE HERITAGE OF ITALIAN CRAFTSMANSHIP FROM A CONTEMPORARY GLOBAL PERSPECTIVE ON DESIGN AND TRENDS TO CREATE A COHERENT EXTENSION OF THE OFF-WHITE™ READY-TO-WEAR AESTHETIC INTO THE WORLD OF EYEWEAR.

FROM APRIL 2022, IBRAHIM KAMARA HAS BEEN APPOINTED CREATIVE DIRECTOR OF THE BRAND. HE CONTINUES THE EVOLUTION OF OFF-WHITE™, REFINING IT WITH HIS OWN SIGNATURE STYLE AND CONTRIBUTING TO THE DEVELOPMENT OF THE EYEWEAR SEGMENT. THE BRAND RETAINS ITS OUTSIDER IDENTITY AND CONSOLIDATES ITS POSITION AT THE FOREFRONT OF LUXURY FASHION.

THE SPRING - SUMMER 2025 COLLECTION REPRESENTS THE CONSOLIDATION OF THE WORK DONE OVER THE LAST TWO SEASONS, A MIX OF INNOVATION, STREETWEAR AND FINE FASHION. INSPIRED BY THE HOUSE'S ROOTS, THIS COLLECTION CONFIRMS OFF-WHITE™'S PLACE AMONG THE MOST INTERESTING PLAYERS IN THE LUXURY EYEWEAR SECTOR.

INNOVATIVE CARVING TECHNIQUES, STRETCHED SILHOUETTES, FRESH COLOUR COMBINATIONS, ITALIAN ACETATES AND PREMIUM METALS, ALL FUSED WITH EXQUISITE CRAFTSMANSHIP AND AVANT-GARDE DESIGNS: A CELEBRATION OF THE DIFFERENT SOULS OF OFF-WHITE™.

24 GENDERLESS, FINELY CRAFTED SUNGLASSES, THE NEW FRAMES ARE METICULOUSLY DESIGNED TO MAKE THE WEARER FEEL PART OF THE OFF-WHITE™ TRIBE, ALONG WITH 10 OF THE BRAND'S MOST ICONIC STYLES FOR THOSE WHO PREFER AN OLD-SCHOOL OFF-WHITE™ LOOK.

THE COLOUR PALETTE COMBINES TIMELESS SHADES SUCH AS JET BLACK AND A RETRO DARK HAVANA WITH SOLID TONES LIKE WHITE, PURPLE AND MILITARY GREEN AND MILKY TONES INCLUDING PINK, LEMON AND GREY.

ALL OFF-WHITE™ SUNGLASSES ARE MADE IN ITALY FROM ACETATE, METAL OR A COMBINATION OF THE TWO, AND THE LOGOS ALWAYS PLAY AN IMPORTANT IDENTIFYING ROLE: THE ENGRAVED "OFF", A METAL FOIL LETTERING, THE INFAMOUS "QUOTATION MARKS" THAT ADORN THE FRONT OF THE FRAMES, AND THE UNMISTAKABLE ICONIC ARROW IN TWO DIFFERENT ANIMATIONS.

THE OFF-WHITE™ SS25 COLLECTION ALSO INCLUDES AN OPTICAL PROPOSITION, 26 BRAND NEW STYLES AND 6 ICONS MODELS, THE PERFECT OFF-WHITE™ ADDITION TO ANY LOOK.

PHILOSOPHY

With the launch of Off-White™ in 2013, the brand caused a seismic rupture in fashion history.

With a trailblazing spirit and a unique design logic, the brand shook the industry to its core.

An architectural approach and a global worldview, OffWhite™ started a new dialogue between luxury fashion and the fast-changing world beyond it.

DNA

GLOBAL VISION

Our point-of-view is always 360°: we are world-builders, first and foremost.

We recognize the interconnectedness of the new fashion eco-system and draw inspiration from the streets of Accra to Tokyo.

MAKER CULTURE

We redefine maker culture for a digital world; championing content creators and image-makers alongside established artists and craftspeople.

We uphold a lineage of millennia of cultural exchange and creativity.

Eyewear Collection Trends

LIGHTNESS

- Combining geometric shapes with the timeless appeal of acetate frames. Clean lines and sharp angles, a modern take on traditional Eyewear and perfect option for a subtle yet stylish look.

“QUOTATION MARKS”

- A brand signature, nod to the origins of Off-White™, on the sides of the front of the frame, ironic touch that states the obvious and makes the sunglasses instantly recognizable.

DESIGN

- Unexpected fashion details that add depth and dimension to the frames and elevate the models to new design propositions. Blinking the eye to the architectural roots of Off-White™ with these rich-in-design models.

VOLUMES

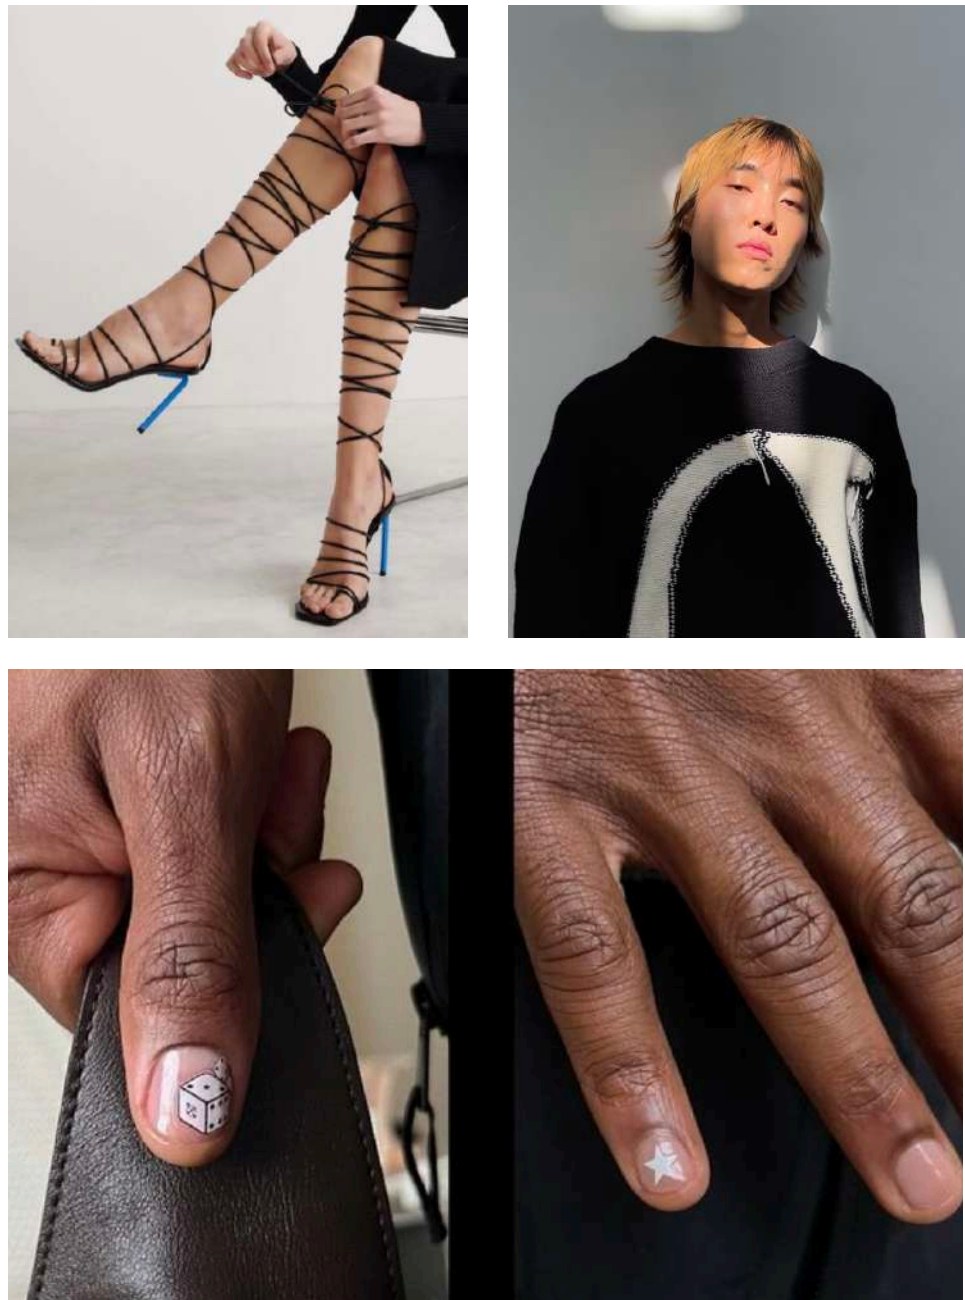

- Sculptural silhouettes with a strong architectural element and playful aesthetic. Deconstructed and reinvented with different techniques offering new perspectives on familiar frames.

Eyewear Collection Trends

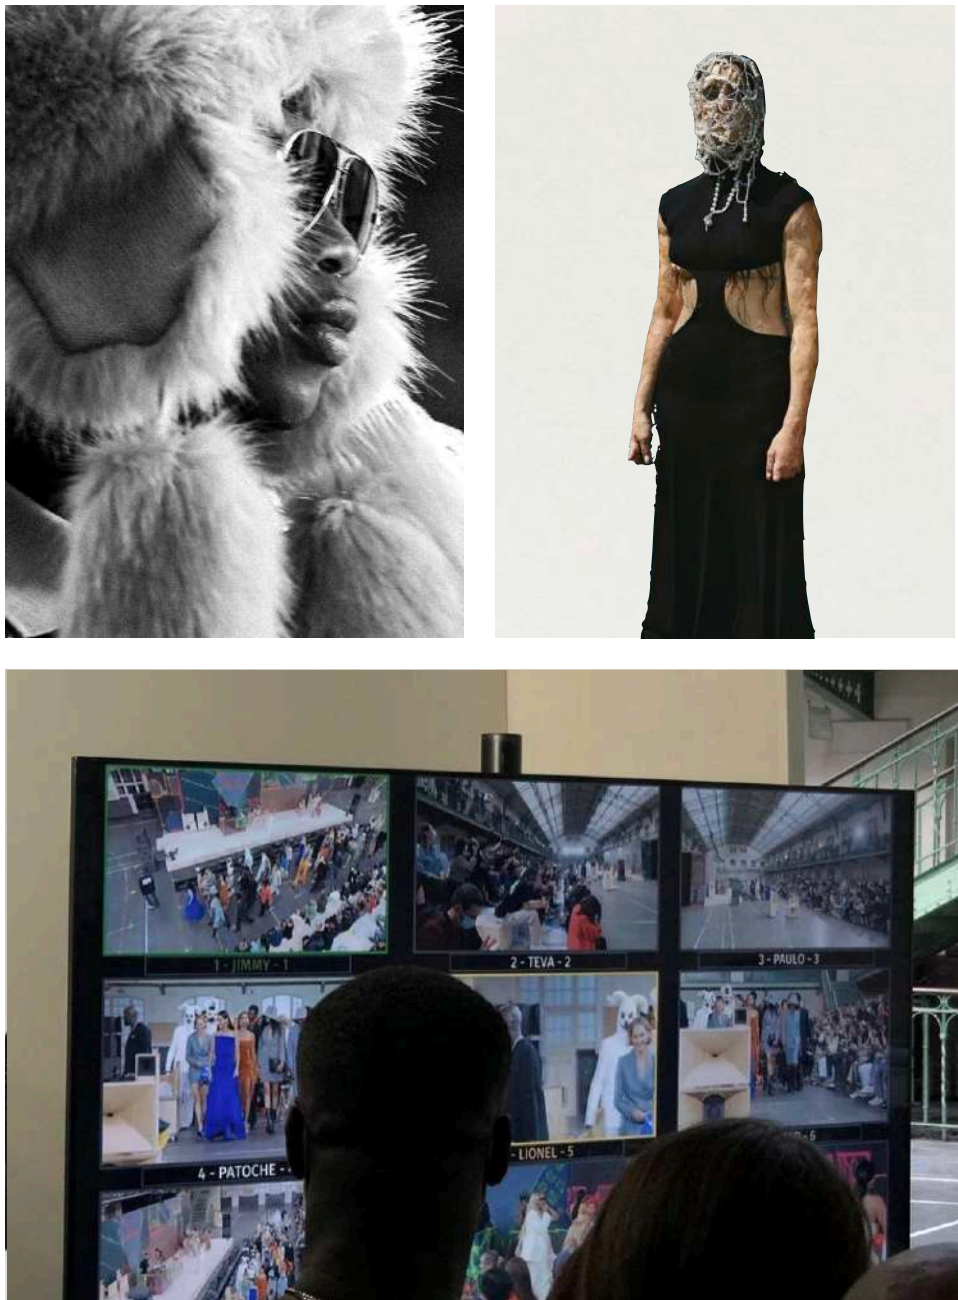

ELEGANCE

- An harmonious blend of style, quality and sophistication; a reflection of the more refined side of Off-White™ and the craftsmanship and attention to details that define the brand.

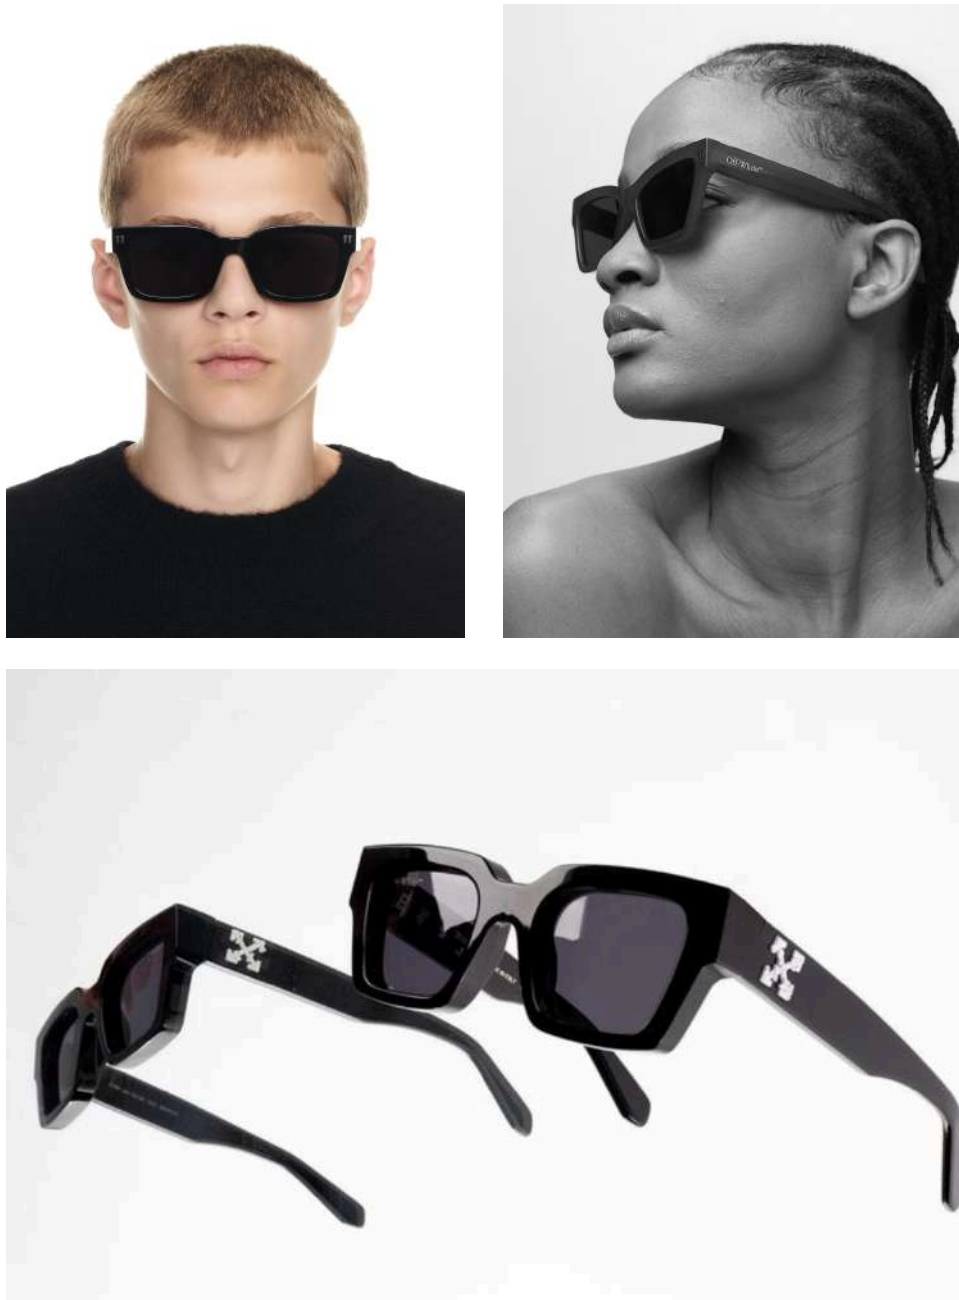

INCOGNITO

- Maximum eye and face coverage for privacy and anonymity. The epitome of boldness and luxury, oversized frames that exude confidence and add a touch of drama.

ICONS

- Light Ethos, vision and heritage. The Icons styles attract attention, make a strong first impression and are the foundation of the brand identity.
